

Coronavirus (COVID-19) Information

EVERY PERSON ENTERING THE FACILITY MUST READ

To keep the staff, children, and community safe, please do not enter the building if:

- ✓ In the last 14 days
 - You have tested positive for COVID-19
 - You or anyone in your household have been tested for COVID-19
- ✓ You or anyone in your household think they could have COVID-19

...or if you or anyone in your household (including children) have one of these symptoms or have been in close contact with anyone with one of these symptoms:

- ✓ Cough
- ✓ Shortness of breath or difficulty breathing
- ✓ Fever

Or at least two of these symptoms:

- ✓ Chills
- ✓ New loss of taste or smell
- ✓ Vomiting/diarrhea (children)

If you have any of these symptoms, contact a health professional.

Be aware, you are at higher risk if you are:

- ✓ Age 65 years or older
- ✓ Pregnant (It is not yet known if pregnant women are high risk but pregnant women should protect themselves from all infectious diseases)

...or have any of these health conditions:

- ✓ Chronic illness such as lung disease or moderate to severe asthma
- ✓ Heart disease
- ✓ Immunocompromised, including those undergoing cancer treatment
- ✓ Severe obesity
- ✓ Diabetes
- ✓ Renal failure
- ✓ Liver disease

Staff concerned about being at risk should discuss with their supervisor.

Daily Health Check

Staff will conduct a standard Daily Health Check on every child, every day and exclude if he/she:

- ✓ Has a temperature above 100.4 or any symptoms listed above.
- ✓ Is unable to participate in activities as normal
- ✓ Needs more care than staff can provide without compromising the health and safety of other children

Staff will also check for signs of illness periodically throughout the day for:

- ✓ Changes in behavior or mood
- ✓ Looking different from normal
- ✓ Complaining of not feeling well
- ✓ Pulling at ear(s)
- ✓ Runny nose or eyes
- ✓ Cough
- ✓ Unusually warm skin
- ✓ Eating or drinking more or less than usual
- ✓ Vomiting
- ✓ Having abnormal stools, diarrhea or unusual odor
- ✓ Not urinating
- ✓ Being off balance or walking unevenly

For COVID-19 information in North Carolina, call 2-1-1 or 888-892-1162.
